FJORD 

impressive design

Whenever you enter a port with the *FJORD 36 open*, you will be met with admiring glances. The clear, linear design makes the *FJORD 36 open* unique. The bow stretches up almost vertically and says: "Here I come." The parallel running lines of the water pass, bulwarks and bimini top give the boat a sense of simple, expressive elegance. You could also say: less is more.

/ new exciting design, shaped like no other yacht with her almost vertical bow and long, crisp lines

/ frameless windshield creates unlimited open feeling

/ individually hand-built for the client by boatbuilding craftsmen

/ every single *FJORD 36 open* is unique, a beautifully customized one-off

clear view

for a clear run

outstanding performance

The *FJORD 36 open's* maximum speed is an impressive 40 knots perfect for discovering hidden beaches and ideal for a fast trip to that idyllic restaurant in the next harbour. Its power is generated by two modern Volvo diesel engines with a performance comparable to V8 big-block petrol engines but with half the fuel consumption.

- / excellent performance and efficiency in all conditions, even the most extreme
- / up to 40 knots, great feel and high fun factor
- / long-range capability

power for propulsion: two Volvo diesel engines with 260 hp or 300 hp

comfortable handling

Comfortable handling and adequate reserves of power guarantee many unforgettable hours on board of the *FJORD 36 open*. Whether you want to cruise off into the sunset or enjoy a day's water-skiing. Once you are at your destination, the driving pleasure is not over yet: the joystick will help you to berth the FJORD smoothly, exactly where you want.

- / easy handling and precise docking with joystick control
- / functional – tremendously dry with great storage for diving equipment or for wake boarding
- / crew-friendly: low maintenance, flush decks along with superior materials such as sunbrella fabrics and quality build components

spacious deck: for family and friends

easy to use: the electric anchor

safe & relaxing

You can be relaxing on the water with the *FJORD 36 open* in no time at all. Once her two powerful Volvo engines have delivered you far enough offshore, you relax on your king size sun lounger – or have a party with friends. With the big refrigerator in reach you will spontaneously meet any of your or your guests' desires.

- / hull from serial production, proven boat design by Patrick Banfield
- / huge bulwarks to make the stay on board safer
- / kitchen, bar with refrigerator, helm station all on one level
- / spacious, comfortable seating areas for passengers
- / large relaxing spaces for lounging with unique shade options

light refreshments on the bow - the refrigerator is installed under the seats | after taking the plunge: the ladder makes it easy to climb aboard again

audio control station: perfect sound from anywhere

the cockpit: your lounge- and dancing-area

for the well-being of all onboard - the bathroom with electric toilet

welcome home

The more you cruise, the more you'll feel at home in the *FJORD 36 open*. Below deck, everything is optimally prepared for an extended weekend trip or a short midday nap. It goes without saying that taste is also a top priority: choose your wood, materials and a wide range of other details.
